## Closing-the-Loop

1. Review Learning Objective (LO) assessment data in the current Assessment Report.

- c. For each improvement action proposal, list the project leader, timeline to completion, required resources, expected ease of implementation (hard, medium, easy), and expected impact on student learning (low, medium, high).
- d. You may use ease of implementation and impact on student learning to rank improvements.
  e. There is no guarantee that improvement ideas will be approved. They need to be reviewed by the program director, curriculum committee and dean.
