Courses on this list are approved for a specific academic year, which begins with the Fall 2019 semester and remains valid through Summer 2020.

The general education courses listed for the CSU system are specified within subject areas that satisfy lower division general education requirements for the CSU campuses. Students wishing to use a course to fulfill a CSU General Education requirement must be sure that the course is approved for the academic year in which it is taken. The CSU general education form changes each year. It is advised that students meet with a counselor regularly to review any changes. A course must be on the CSU GE Breadth during the term in which it is taken. If a course is taken before it is approved for inclusion, or after it is removed from the list, it cannot be used to meet the area requirement.

CSU GE Breadth certification is available to community college transfer students who satisfy the general education requirements in each subject area. To be "Certified" means that LACC has verified that a student has completed the lower division General Education requirements listed in each subject areas A-E of the CSU GE Breadth pattern. Students who are CSU GE certified will only be responsible for an additional 9 semester units of upper division general education at their transfer CSU campus. To request CSU GE Breadth certification, the student must set up an appointment with a counselor to complete the request and have the Articulation Office review and sign off for official approval. Or please visit the Articulation Office website at: <http://www.lacitycollege.edu/Academic-Info/Articulation/CSUGE-IGETC-Cert-Request>

Students who have taken courses at other colleges can have these courses "passed along" in the certification process. Los Angeles City College will certify courses taken at other California Community Colleges in the subject areas designated by the offering college. Courses taken at California four-year colleges, or accredited out-of-state two-year, or four-year colleges, will be evaluated by counseling faculty and the Articulation Office. Courses from foreign institutions cannot be used in the certification process. Students requesting CSU GE certification must complete at least 12 units in residency at Los Angeles City College.
