institutions in the country. It is committed to the highest standards of academic excellence,

student success, and social responsibility. We are dedicated to providing opportunities for all students to succeed.

As a result, we believe that it is important to have a resource center that can support and serve the needs of our diverse student population.

We believe that the African American Resource Center will be a valuable addition to our campus and will help us to achieve our goals of diversity, inclusion, and social justice.

We encourage all students, faculty, and staff to support the creation of the African American Resource Center.

We believe that this will be a positive step towards creating a more inclusive and welcoming environment for all students.

We look forward to your support and participation in this important endeavor.

Respectfully yours,
