E. **Assessment Plans for Next Year**
   Summarize your assessment plans for the next year, including the PLO(s) you plan to assess, any revisions to the program assessment plan presented in your last five-year plan self-study, and any other relevant information.

   The current plan is to assess PLO 1 (Identify key concepts, principles, and applications of psychology's content domains) in the 2017–18 academic year. We also will have to develop a new assessment tool.
